TO PARTICIPATE IN COMMUNICATION RETREAT**

The Newport City Council will be participating in a communication retreat on June 21. The retreat will be facilitated by Caryn Tilton, of Caryn Tilton Consulting, LLC.

Ms. Tilton is highly-skilled and well-respected among local governments and the private sector. The goal of the retreat is to enhance the performance and efficiency of the City Council with a focus on collaborative governance. This retreat is an exceptional opportunity for the City Council to refine its communication skills as a group.

Due to the City Council retreat, Council will not be holding a noon work session on June 21, but will meet in regular session at 6:00 P.M., on that date.
