Newport Parks and Recreation Corporate Rates

Corporate rates are available for Annual Passes and include both the Newport Recreation Center and Municipal Swimming Pool.

To be eligible for this special discounted rate, your group must have a minimum of 10 employees enrolled, and they must all commit to an annual membership. All passes are subject to a \$25 early cancellation fee.

The corporate rate is based on a 35% discount off of the Annual rates. All members in your household will be eligible for this rate.

The below rates are based on companies located in Newport city limits. This entitles all members of the corporate group to be eligible for the resident rates, since the company is a corporate "resident."
