

THYME GARDEN OF ALSEA TUESDAY 6-21-11

Thyme Garden is a family owned farm hidden in the magical Coast Range Mountains of Oregon. Come and discover the secret reflecting pond hidden in a forest of tall firs and old growth maples. Visit the quaint conservatory and experience an intoxicating aromatic collection of exotic plants.

Following our guided tour we will enjoy a peaceful and relaxing luncheon outdoors under the fir trees and absorb the ambiance nature has to offer.

Experience the fragrance of the herbs that you will taste at the herbal luncheon consisting of salad, decorated with flowers, a main course, vegetable, breads, rolls and herbal teas and finish with a delightful dessert.

Cost it to be announced.
