Directions to the Schools

Eddyville Games will be played at Eddyville School. Go East on Highway 20, 26 miles, across the railroad tracks and turn right immediately after the crossing. The gym is through the center doorway, not the school entrance.

Games in Waldport are at the Crestview School, which is not located adjacent to the High School. To get there you continue South on 101 through Waldport about 1 mile and turn left on Range Drive and continue on it until you reach Crestline Drive. Turn right and go about 1 mile and the school is on the right

Games in Siletz are at the Siletz School on Highway 229, Turn West on James Frank Road. The Gym is behind the main building through a gate. Park on the West end of the parking to get there the easiest way.

Toledo Middle School games are at what is now termed "Toledo Elementary". Get off Highway 20 at the Eastern most exit to Toledo, business loop. Turn left at the flashing light on Sturdevant Road about 2 miles on the left. Go around the buildings and park at the rear next to the softball field for the easiest way into the gym.

Lincoln City games are played at The Lincoln City Community Center. From Highway 101 heading North, turn right on NE 22nd Street, (in front of Dairy Queen). Turn right immediately and you are at the Community Center. The gym is through the main entrance doors and to the right.

Newport Middle School games are played at the middle school which is located on NE 7th. From highway 20, turn North on Harney to 7th Street. Turn right and the school should be in view. Please stay out of the bus paths in the after school hours before 4:00. The Gym door is at the northwest corner of the building near the outside basketball hoops.
